Apologies: Clare, Penny, Lucy, Ruth

President's Report: Due to Covid restrictions we were unable to open the season with the usual fund raising Presidents day, furthermore very little hockey has been played this season. But to look to a brighter future, start planning for Presidents Day 2021. This will hopefully take place on September 4<sup>th</sup> at YOSC. The pitch will be booked from 9am to 4pm, with a BBQ, bouncy castle. There will be an athletics meet running simultaneously so hopefully may well get more trade for the BBQ, cake stall etc. The charity for which we will be raising money for, this year, will be Pulmonary Fibrosis.

Agree Minutes: minutes of the last AGM on Monday 7<sup>th</sup> September 2020 were agreed, along with the additional meeting regarding the accounts.

Questions on Men's and Ladies report: none taken

Questions on Senior Captains report – none taken

Questions on Juniors section : A note to say Iona is doing a sterling job with getting the accounts all in order and has done 'battle' with the bank to be recognised as the signatory and account holder for the junior accounts. Iona definitely needs more support from the parent body and hopefully others may come forward this next season to provide help to Iona and the coaches.

Questions to treasurer's : A note of thanks to be expressed to Penny for her help with the accounts at the start of this season and allowing present treasurer, Vicki, to start with a clean slate. Also a thank you to Vicki for the extra work employed to maintain the accounts this season, sorting out rebates for lack of hockey played and also monies carried forward into next season. Ladies accounts look healthy, not having match teas has really helped, plus matches played at the end of the season were all played away from home. We will need to consider a fund raising target for next season, especially as pitch hire will be increasing. Adrian expressed Men's accounts are looking healthy with respect to the season we've had. A good income is generated from the 'easy fund raising' and we should push this further next season, so all members are using this when purchasing on line.

We are requiring a Junior Secretary and as mentioned earlier – hoping a member of the parent body will step forward as we go into the new season: we may need to do some advertising on Yate's Facebook page.

To close the meeting Mike, as Chairperson, wished to express many thanks to all members of the committee for their hard work during this unusual of years, here's to a much improved 2021=2022 hockey season.
